

Students for Involvement Activism & Change (SIAC) present...

“GET SMART ABOUT RECYCLING”

with guest presenter:

MIKE MCNAMEE

**DIRECTOR OF RECYCLING
CHICAGO RESOURCE CENTER**

Tuesday , October 23

4:30pm

in room 112, 112 S. Michigan Ave.

For over 30 years, the Resource Center, a non-profit environmental education organization, has led the way in demonstrating innovative techniques for recycling and reusing materials. They currently provide recycling services to several SAIC buildings. More information available at: <http://www.recoursecenterchicago.org>

Presented by SIAC, a new student group that will be working on activism, social change and green projects on campus! For more information on this group , contact: Emma Wasielek at ewasie@saic.edu or visit: www.saicactivism.blogspot.com
